Planning Ahead to Make Your Mark on CLN's Future

PLANNED GIVING

You don't have to have extraordinary wealth to make a planned gift. Even a small gift can make a huge impact.

You can make a difference to Camp Little Notch long into the future by putting Friends of Camp Little Notch in your Will or Trust. You don't have to choose between your family and charity. Many planned gifts can actually save your family money. Thank you for your consideration.
